A’s = Realistic

Likes to work with animals, tools, or machines; generally avoids social activities like teaching, counseling, nursing, and providing information to others. This person wants only the facts.

C’s = Enterprising

Likes to lead and persuade people and to sell things and ideas; generally avoids activities that require careful observation and scientific, analytical thinking. Aggressive, risk taking, bold personalities are a must!

E’s = Conventional

Likes to work with numbers, records, or machines in a set, orderly way; generally avoids ambiguous, unstructured activities. Works well with people, data, and things. Works best when directed by others.

B’s = Artistic

Likes to do creative activities like art, drama, crafts, dance, music, or creative writing; generally avoids highly ordered or repetitive activities. This is a field where the dreamer can succeed.

D’s = Investigative

Likes working alone and solving complex problems; a critical thinker. Likes to study and solve math or science problems. An investigative person will dig into work to discover hidden clues, meanings, or data.

F’s = Social

Interested in social relationships and helping others solve problems. Likes to do things to help people--like teaching, counseling, nursing, or giving people information. Works best with other people.
