

Want to **ROCK** the SAT/ACT? FREE Test Prep for Juniors

- ◆ **To qualify for admission to a four-year university as a freshman, students must take an SAT or ACT.** We strongly encourage students to participate in a **free workshop** to prepare them to do well on the SAT and/or ACT. Test scores are an extremely important factor that can affect whether a student is admitted to his/her college of choice. Earning a competitive score is crucial.
- ◆ **Wednesday, 1/18/17:** Informational Workshop recommended for both students and parents. Will cover the difference between the SAT and the ACT and which might suit a student better; how the SAT has recently changed; how the tests are structured and scored; what is a “competitive” score; what to expect on the optional essays and whether students should choose to take the essay or not.
- ◆ **Saturday, 1/21/17:** **ACT sample questions and strategies.** Target audience: students who plan to take the **ACT**. If you can't attend, there will be a Make-up ACT Preparation workshop on Apr 22.
- ◆ **Saturday, 1/28/17:** **SAT sample questions and strategies.** Target audience: students who plan to take the **SAT**. If you can't attend, there will be a Make-up SAT Preparation workshop on Apr 15.

SAT/ACT Official Test Registration:

SAT: www.collegeboard.org. SAT: \$57 or \$45 without Essay.
ACT: www.actstudent.org. ACT: \$58.50 or \$42.50 without Writing.

Register online to take the SAT and/or ACT. Almost all universities accept either test or will take your higher score if you take both. If you take either test more than once, colleges will use your highest score. You must pay with credit card, PayPal, check, money order, or **fee waiver**. Visit a high school counselor to see if you qualify for a **fee waiver**. We recommend that you take the test(s) between February and June. **Register for the test on time to secure a spot and avoid late fees.**
