Want to **ROCK** the SAT/ACT? FREE Prep for Juniors!

- **To qualify for admission to most four-year universities as freshmen, students must take an SAT and/or ACT.** We strongly encourage students to participate in a **free workshop** to prepare them to do well on the SAT and ACT. Test scores are an extremely important factor that can affect whether a student is admitted to his/her university of choice. Earning a competitive score is crucial.
- **Workshops in May:** If you can't attend the Prep session on 3/2, the session on 5/18 will be identical and can serve as a make-up session. Both sessions will cover strategies and preparation for both SAT and ACT.

Register for a workshop at www.sandiegocalsoap.com. Click on "Events & Workshops." Questions? Contact Karla Whitaker at kkwhitaker@ucsd.edu
